Automotive

# Computer Type Gercom to Type B&R

**ATTENTION: Spare parts for Gercom computers are not available anymore!**

It is not possible anymore to receive any spare parts respectively repairs for your Gercom computer. We recommend a preventive retrofitting of the computer system to B&R to avoid possible downtimes due to a defect of the Gercom computer.

### DESCRIPTION:

The look and the handling of the new computer system remains unchanged. The SPS and the computer now communicate by use of an optical waveguide that is resistant to electromagnetic fields. Additionally, the operating system was updated to Windows NT.

### YOUR ADVANTAGES:

- ▶ 100% spare part- availability
- ▶ Application of optical waveguide
- ▶ Current state of technology

### The Retrofitting Kit contains:

- ▶ Computer incl. disc drive
- ▶ Display
- ▶ Keyboard
- ▶ Optical waveguide
- ▶ Software

We would be pleased to make a quotation according to your machine.  
To provide best assistance please mention your machine type and ID-number.
